

Dinosaurs Across America

The 50 States of America presented one by one in comics by Phil Yehs famous Patrick Rabbit and his Dinosaur friends in full color. One of the most popular comic books (190,000 sold) from Cartoonists Across America, a literacy group using comics for decades to teach literacy to kids all over the US, is now a beautiful exciting educational graphic novel, a fun way to learn about Americas 50 States! Phil Yeh is the champion behind the group and well noted for his tireless tours and appearances at schools and libraries across the land, bringing literacy through comics.
