

My Favorite Bible Quotes: A Journal for Special Passages That Lend a Hand and Light the Way (Journals That Inspire)

Probably no other book has been read and quoted as widely as the Bible. This ancient document is timeless, and no matter where in the Bible we look, we are bound to find some words of wisdom that inspire, encourage, and guide. This journal allows you to record the Bible quotes that have touched you the deepest. Record one quote per page. State the essential message, such as adversity, forgiveness, love, marriage, baptism, faith, healing, jealousy, repentance, encouragement, or strength, and note in which Bible verse the message appears. Then write a few words about the time and circumstance when the message was relayed. When you have recorded the quote, go to the table of contents at the front of the book and write on the blank line the key words or subject the quote makes you think of, and on which page it can be found. This gives you an easy to use quick reference book for your future needs.

When a friend or acquaintance, or a stranger for that matter, is in trouble and needs your help, whether physically or emotionally, your readiness to lend a hand and bring them comfort with a favorite message from the Bible, will warm their heart and light their way.
