

Lets Try Skiing

Simon is going on his first ski trip, and he can't wait to learn how to ski, even his pesky big brother can't spoil the fun. By the end of the week, Simon is schussing down the mountain, taking jumps, and even participating in a slalom race. This reassuring guide for the beginning skier is packed with facts and information--as well as a good dose of encouragement. Affordably priced and durably constructed, this is the latest in the Lets Try series.
