

A book for underdogs, human and otherwise. OR-7, the wolf known as Journey, is the first wolf back in California in 80 years. Amidst haunting watercolor paintings, readers can follow Journey on his trek through this thoughtful alphabet book. Through his encounters with bears and highways, fences and wildfires, he looks for a place to belong and be happy. Readers can continue the journey online via an interactive map supplement, digital wolf painting activity, and parent/teacher discussion questions.
