

# Awakening to Animal Voices: A Teen Guide to Telepathic Communication with All Life

Teaches teens how to connect with animals and the world at large in a deeper, more meaningful way Shows how telepathic communication with animals can enhance all teen relationships with nature, themselves, and others Contains exercises, games, and visualizations to enter into communication with all life Includes conversations between animals and professional animal communicators As companions, helpers, and spiritual guides, animals have always held a special relationship with the human community. Awakening to Animal Voices helps teens access their natural ability to communicate with the animal kingdom and open more profoundly to life, other human beings, and the deeper nature within themselves. Through games, exercises, experiments, and stories, teens will learn to tune into the subtler whispers of nature. They will discover their personal animal guide and learn the spiritual tools of shamanic journeys, dreamwork, visualizations, and shapeshifting. Filled with advice from animal communication professionals and actual conversations with animals, Awakening to Animal Voices is an invitation to explore our inner way of knowing; to communicate more effectively with others; and to express a more consciously alive self in the world.
