

Eli Remembers

Year after year, Eli watches the solemn lighting of seven candles at his family's celebration of Rosh Hashanah, the Jewish New Year. On such a happy occasion, his parents and grandparents always seem sad, and Eli can't understand why. Then one year Eli travels to Eastern Europe to learn more about his family history. There, he learns how the candles represent his family's connection to the Holocaust in Lithuania, and how remembering his ancestors can help heal years of grief and shame. This powerful story, illuminated by Bill Farnsworth's sensitive brush strokes and muted palette, can be used as an introduction to World War II and the Holocaust, and will also remind young readers how they can make a difference in the lives of their families.

Marian Snieder is the author of *Eli Remembers* (4.06 avg rating, 31 ratings, 7 reviews, published 2007) - 4 min - Uploaded by Twin Toys Eli remembers what happened last time and tries to stop Liam.
