

# Only Cows Allowed

Once upon a new New England farm, the cows refuse to let the other farm animals mooove into the barn. ONLY COWS ALLOWED! But the hens, horses, pigs, sheep, goats, and geese aren't about to let those bossy cows get their way. The first-time farmer doesn't side with the cows either. Animal after animal after animal moves into the barn. But when the farmer throws an all-night barn party to celebrate his new farm, the cows leave without uttering a word. Where will they finally find some peace and quiet?

There are more than 1.6 million dairy cows in Australia. The dairy supply chain allows calves to be off feed for 30 hours and transported for up to 12 hours. Technically speaking, Hindus refuse to eat cows for religious reasons. Reincarnation, a major tenet of Hinduism, is when the soul, which is
