

Near One Cattail: Turtles, Logs And Leaping Frogs

Teachers! Here is another field trips between covers from Tony Fredericks, a funny but very astute professor. Here he visits wetlands inhabited by leaping frogs and zip-zipping dragonflies. Teachers will appreciate the accurate science and great illustrations. Kids will appreciate the humor and cadence of the text, while learning how the wetland creatures interact in their community. Two pages of Field Notes and fun facts at the back of the book offer intriguing information on these creatures.
