

## Sea Monkey & Bob

Two delightfully anxious friends learn that they can overcome anything even gravity in this humorous and heartwarming picture book from bestselling author Aaron Reynolds and illustrator Debbie Ridpath Ohi. Bob the puffer fish and his best buddy Sea Monkey may be little but they've got one ocean-sized problem. Sea Monkeys terrified hell sink straight to the bottom of the ocean. After all, he's heavy, and all heavy things sink, right? Bob on the other hand is worried that his puffed up frame will float up above the surface. He's light, and all light things float! How will they stay together when the forces of gravity are literally trying to pull them apart? By holding hands, of course! Sea Monkey and Bob learn that sometimes the only way to overcome your fears is to just keep holding on

As you can see, she has a lot of things in her office! For the art in *Sea Monkey & Bob*, Debbie drew the ink outlines with her Pentel Pocket Brush. Just the right amount of silliness enhances the tale of the already comical, bow tie-wearing, google-eyed Sea Monkey and the bright yellow, puffed-out Bob. - 9 min - Uploaded by Kids Adventures with Sweetie Fella Aleks
