

Real estate investment trusts (REITs) make commercial real estate profits available to everyone! REITs are one of the hottest and most potentially lucrative investment vehicles in the market today. Find out how you can take advantage of these increasingly popular securities in the powerful new book *Real Estate Investment Trusts*. Professionals Richard T. Garrigan and John F.C. Parsons have gathered over 20 of today's most influential opinion leaders to explain how investors both large and small are beating the S&P 500 with REITs, how these REITs combine superior income and growth with relative safety, behind-the-scenes information on how to assemble and launch a successful REIT, and statistical support for market confidence in the long-term appreciation potential of REITs. Whether you are a real estate investment professional seeking comprehensive information on today's REIT operational requirements; an investment professional needing to better understand REITs; or an individual investor interested in diversifying your own portfolio into real estate, *Real Estate Investment Trusts* will open your eyes to the incredible opportunities available in today's REIT market. Order this well-researched, interesting and informative book today.
