

A delightful series of board books for toddlers, Funtime Rhymes titles introduce preschool boys and girls to machines that roll, float, or fly. Each attractive book presents five rhymes that kids will love to say aloud with Mom or Dad, and each rhyme comes with an amusing full-color, cartoon-style illustration. The books are sturdy enough to resist rough handling by toddlers, and their corners are rounded for safety. Holly the Helicopter, Boris the Biplane and their other flying friends each have a clever little rhyme to entertain kids. (Ages 2-5)
