

Scatalog: A Kids Field Guide to Animal Poop: Set 2

As many the experienced hunter will tell you, one of the best methods for tracking wild animals is to examine their poop. These fact-packed books offer a wealth of tips on identifying and reading the clues in scat. They also explain several other signs that trackers look for, such as tracks, dens, and scratch marks. Basic facts about each animal, such as its life cycle, feeding habits, and habitat preferences, are also covered. A series that is both fun and informative!
